To the Class of 2005:

It feels like it was just yesterday that we burst through the doors of South Windsor High School as young freshmen, full of hope for the future. Without the aid of freshmen academies, we blazed our own trail and over the course of four years time, left our mark. Of course, every beginning has an end. The experiences that have shaped our high school career are now fresh and vivid in our minds. It's hard to believe that there will come a day when we won't be able to recall why Day 2 was the worst day in the rotation, who sat in back of us in Algebra, or how many fingers Mr. White had. When that fateful day arrives, it will be time to Unlock the Memories of the Class of 2005.

# Mr. Bullock

## 2005 Yearbook Dedication

Born at Hartford Hospital on August 30th, 1973, Mike Bullock was destined to be an athlete, educator, coach, and role model for South Windsor High School's students. First getting involved in organized sports at age 10 playing Little League Baseball, Mr. Bullock grew up in Enfield continuing his athletic career at Eli Whitney Elementary School, JFK Middle School, and eventually at Enrico Fermi High School. A star football player and wrestler for Fermi, Mr. Bullock graduated in 1991 and furthered his education at Plymouth State College, wrestling for the Massachusetts university. He majored in Physical Education and minored in Health, and says, "When I graduated from high school I came back to Fermi to help coach and I knew right then that I wanted to teach and help others. It was between P.E. and being a history teacher and I chose P.E." He said that his father is his role model and that the best advice he's ever been given is that as long as you work hard and commit to what you're doing, you'll be successful.

Mr. Bullock began teaching P.E. at Granby Elementary School, then at Washington Elementary, and eventually ended up at South Windsor High School in 1998. He coached wrestling at Suffield High School and is currently an assistant football coach here at South Windsor High School. He says the most rewarding part of teaching and coaching is "Seeing people I teach succeed, develop a passion for what they're doing, and enjoy what they're doing while they're doing it." The best excuse Mr. Bullock has heard for not being able to participate in gym class is that "my mom forgot to pack my backpack and put my gym clothes in it!" Some of his hobbies include weightlifting, rock climbing, wood working, playing video games, and spending time with his wife, Heather, and son, Danny.

The South Windsor High School Class of 2005 is proud to dedicate the 2005 Centurion to Mike Bullock for his years of dedication to the Physical Education Department of South Windsor High School, the South Windsor High School football team, and the entire South Windsor High School community as a whole. Years from now, we can unlock the memories of our great times and all we learned from Mike Bullock.

"He has always listened and went out of his way to be nice."  
-Sarah Archambeault

"He has always helped me out, given me advice, and made high school fun for me."-Adam Rizzo

"He makes sacrifices to be able to stay late and coach football after school, which I think is going above and beyond."- Ryan Jalbert

"He is always willing to help someone that needs it. He's very understanding."-Erin Wardwell

"He is seriously the greatest teacher with the biggest heart. And he's so funny!"-Erin Hayden

"He cared about us more as people rather than just football players."

# *In Memory of Mrs. Lynn Wallace*

South Windsor High School and the entire South Windsor Community suffered a major loss on December 29th, 2004 with the death of Mrs. Lynn Wallace. At 49 years old, the 2004 Support Staff Person of the Year and secretary to Dr. John Dilorio was "not only a model professional, but a person who cared deeply about others and would do whatever she could to support and help people," said Dr. Dilorio. During her employment in South Windsor schools Mrs. Wallace worked her way up from part-time cafeteria worker to office clerk to Dr. Dilorio's personal secretary. She was "probably the most organized person that I've ever known" and "by the time she became Dr. Dilorio's secretary two years ago, she knew the different departments so well that the entire school system depended on her to organize and disseminate information," said School Resource Officer Tim Hankard.

Born in 1955, Mrs. Lynn Wallace lived in South Windsor since the second grade and although she and her husband, Thomas Wallace Jr., both graduated from South Windsor High School, they didn't meet until after graduation and were married in 1974. Mrs. Wallace began working for South Windsor Public Schools when the couple's young daughters, Kelli and Jennifer, were young. At home, Lynn loved attending her daughters' softball games and planning family vacations. Family was her top priority throughout the course of her life and she was extremely proud of her two collegiate daughters. Before becoming Dr. Dilorio's personal secretary, Mrs. Wallace worked with the Child Development Program here at South Windsor High School. Three mornings a week she was found sitting at tables with the children playing games or puzzles or consoling an upset child, never missing a day. According to Nanette Davis, a former Child Development teacher, "She had a very reassuring manner with both students and children, encouraging them to do their best."

Lynn Wallace was a caring and well-respected woman not only at South Windsor High School but in the entire South Windsor community. She was an integral and essential part of South Windsor High School's daily life and moving on from her death will be a major adjustment for all.

"Despite the fact that she worked extremely hard during the day, she always made it to her daughters' softball games. That showed her true dedication and support." - Danielle Spiro

The Cyborgs finished 10-6, including a tough 9-12 loss to # 1 ranked Glastonbury and losses to # 5 Simsbury, #6 Greenwich and #10 Somers. The Cyborgs finished with a 3rd seed in a very compettivie CCC conference that included Simsbury and Glastonbury. # Girls Varsity Lacrosse

The South Windsor Girls Lacrosse Team had a very competitive season. Not only did they play the best teams in Connecticut, (Wilton, Simsbury, Darien, etc.) but they traveled to Maryland to play the top teams in the country as well. "Captains Marianne Heldmann and Jess Lane helped mesh a group of inexperienced and experienced players to be able to compete at the toughest schedule yet," stated Coach Duclos. He explained that one of the most memorable moments was when we played Darien in the State Tournament. "It was the first time since 1996 and 1997 that we weren't just competitive, we were in the game and expected to do great things. We played with more confidence than ever before." Although the Bobcats ended the season with an 8-7 overall record, the expectations for next season are very high. There will be a large senior turn-out which will provide for successful and well-driven lacrosse team!

# Boys Varsity Baseball

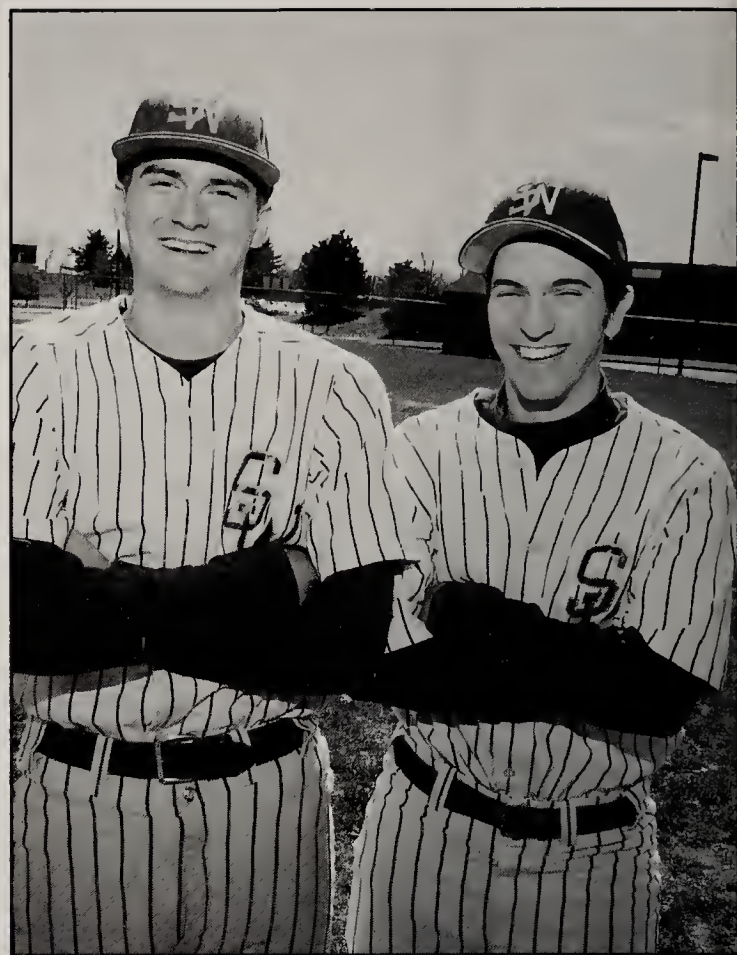

The Boys Varsity Baseball team had another respectable season ending up with 13 wins and 10 losses overall. Led by captains John Ursone and Marc Williams, the Bobcats finished with 9 wins and only 3 losses in the CCC East, which earned them second place in the conference. The team had a solid foundation of players including three CCC East All Conference selections: John Ursone, Chris Waxenberg, and Jeff Vigurs were awarded for their exceptional play. The highlight of the season for the team was advancing to the State LL quarterfinals in the State Tournament at the end of the season. Coach Harak said that injuries plagued the team, but they were good enough to recover and make the best out of the season. The team looks forward to rebuilding a young team next year and hopes to carry over the success of the previous season.

# Varsity Softball

South Windsor High School Varsity Softball had a very strong team this season which led them to the State Tournament. Although the team did not take home the state title, there are high hopes for the upcoming season. Key players returning for the Bobcats are: Danielle Spiro (center field), Kristin Wyatt (short stop), Katie Bis (pitcher), and Christine Lemieux (1st base). "Coming home with 17 wins, this was a very successful season for the Lady Bobcats." says Coach Grady. Hopes for next season are to return to the State Tournament and contend for the conference title. Through the outstanding performance of the Varsity team, as well as hidden talent from the Junior Varsity team, the girls softball team should be a top contender for the 2005 Spring Season!

# Varsity Football

The 2004 Bobcat Football team faced the most difficult schedule South Windsor High has ever seen, including tough games against state power-houses' Bloomfield and New Britain. Even though the Cats finished with a tough 4-6 record, most of their losses were by 7 points or less. The Bobcats shocked the state in the opening game of the season by upsetting Bloomfield on their home field. The Bobcats finished the season on a high note blowing out rival Rockville on their home field and ruining their playoff hopes. The Bobcats had 7 All-Conference players; Joe Carabase, Andrew Burtchell, Matt LaCaprucia, Kurt Berner, Mike Yudowich, Jon Groth and Nick Grillo. After 5 years of coaching at South Windsor High School, Coach Thomas resigned at the end of this 2004 season. During Coach Thomas' reign at South Windsor High, he led the Bobcats to two consecutive CCC East Conference Championships. The 'Cats greatly appreciate all he's done for the team and wish him luck in the future.

# Girls Cross Country

The ladies continued to have success and ended with an impressive overall record of 17-1. The Lady Bobcats triumphed over rivals E.O. Smith not once but twice. The only loss suffered was a close 29-26 meet against Glastonbury, a worthy opponent. The team finished with a flawless league record of 8-0 and was the CCC East Champion for the second year in a row. Sarah Forzley, Katie Beam, Blaize Denfeld, Stephanie Sturgis, Gina LaPenta, Julianne Garbarino and Erica Forzley made the All-Conference team. Sarah Forzley became the first runner to advance to the New England Regionals meet at Wickham Park after finishing in the Top 20 of all Connecticut runners. The 2005 season looks to be a promising one with all of the top 7 returning.

JV/Freshmen Football

The Freshman Football team had a successful season finishing undefeated in their conference and with an overall record of 6-3! When asked for his thoughts on the season, Coach Quaglia answered, "The team grew individually and collectively. Although we were injury plagued, we came together and were successful as a team." Coach Quaglia has high hopes for next season and is confident that his players will be prepared for the varsity level in the coming years. Coach Graham and Coach Bullock coached an exciting Junior Varsity Team this year. Almost all of their games were decided in the last seconds. Blake Kapisak and Justin LeConche were standouts this season, leading their team to many victories. The coaches look forward to continuing to develop these boys' skills and preparing them for the varsity level in the future.

The Junior Varsity girls volleyball team ended the season with a 15-3 record and an 8-0 conference record, led by JV captains Kerianne Garston and Laura Grillo. The freshmen team finished with a 12-5 record. Leading the Freshmen team were Erika Jones and Jennifer Hunt. "This was the best record in the years I have been coaching freshmen," replied Freshmen Coach Brindisi. The Freshmen team was not the only team that was very successful. The JV Team had a 10 game winning streak which set the goal high for next season. Goals for next season are to elevate the level of offensive hitting and defensive playing.

## Junior Varsity Boys Soccer

The South Windsor High School Boys Junior Varsity Soccer team had a very good season. They ended their season with a 12-1-2 record under the first year coach, LB Gray. One of the highlights during the 2004 season was the game played versus rival Manchester which ended in a 1-1 tie. In addition, beating a tough EO Smith team twice, with a combined score of 7-2 was a major accomplishment! The boys team was a definite powerhouse this year, outscoring opponents 66-13 over the course of 15 games, and only losing once to a very tough Southington team. With the Varsity team improving themselves over the course of this season as well, hopefully the Boys Soccer Program here at South Windsor High School should continue to improve!

## JV/Freshmen Girls Soccer

The JV Girls Soccer team, led by Captains Brianne Cameron and Katherine Heldmann, had a very triumphant season. Beating powerhouses such as EO Smith and tying equally as tough Conard were major highlights of the season. Finishing with a 6-3-3 record, Coach Sara Suitor said, "Beginning the season with many goals, such as beating our rivals at Rockville and EO Smith and finishing with a winning record, being able to accomplish those goals, I was really proud of these girls." The Freshmen Girls team, under first year coach Al Jankowski, was also quite successful in the second season that the program has been around. A record of 5-1-2 is quite impressive for a first year coach and the girls improved their skills, learned more about the game, and had fun in the process. With such strong JV and Freshmen teams, the Varsity team should be a team to contend with in the future!

## Junior Varsity Field Hockey

Under first year Coach Lovetere, the JV Field Hockey team had a great season. Finishing with 7 wins, 4 losses, and 4 ties, the team had some great wins over N.F.A., Southington, and E.O. Smith over the course of the season. Captains Molly Gerber and Sarah Antosik led the team in learning much more about the sport of field hockey, new plays and skills throughout the season, and helped Coach Lovetere prepare the team for the varsity level in the future. When asked for her thoughts about the season, Coach said, "I got to coach a great group of girls for my first year here, and I couldn't be more proud of their progress and success this season." With such a strong JV team, the varsity Field Hockey team should be a force to be reckoned with in the future.

# Cheerleading

The cheerleading team did an awesome job during the football and basketball seasons. They provided enthusiasm at the games all season long. In order to prepare for the football season the girls attended an intense summer camp full of conditioning and practice. The practice paid off for the girls at each and every game they performed. They did a great job of getting the crowd involved in every game. The Cheerleaders did an outstanding job keeping all the sports teams motivated as well as the crowd!

# Varsity Boys Basketball

The 2004-2005 Boys Varsity Basketball team had an unusual season. They started out rocky, losing three players to suspension before the season started. The first half of the season produced only one win and nine losses. However, the Bobcats were able to turn it around. They had a seven game winning streak toward the end of the season ultimately winning the CCC East Title. This turnaround season also included a perfect 2-0 record against rival Rockville and a triple overtime thriller against Hall in the CCC Tournament. The Bobcats finished out the season with a 10 win, 13 loss record and they have high hopes of next season being more successful.

# Varsity Girls Basketball

The Girls Varsity Basketball Team had a great season, finishing with 16 wins and only 4 losses in the regular season. They finished second in the CCC East Conference standings, right behind E.O. Smith. The team was led by Selin Whitham, Kaytee Zielinski, Susan Bakulski, and Kathy Les all of whom were all-conference selections. The Lady Bobcats' highlight of the season was a home win versus the number one team in the state, the Windsor Warriors. Unfortunately, Windsor got their revenge on the Bobcats in the CCC tournament but South Windsor didn't go down without a fight. They played well in the State Tournament and after winning their first round game, the Bobcats suffered a tough home loss in the second round that ended their season. Over the course of the year the Bobcats worked extremely hard and should be proud of their great play. The five seniors will be greatly missed in the future and the team has high hopes for next season.

# Varsity Hockey

The 2005 Boys Hockey Team had a great season. Led by captains Sam Brown, Jamie Caron, Kevin Jodice, and Jason Sabo, the team consisted of eleven seniors who helped the team accomplish some key victories. They started the season off on a positive note, defeating Wilton in overtime on their home ice. Another highlight was beating the town rival Rockville High School for the first time in two years. The Bobcats finished their season off strong by winning their first home playoff game in twenty-five years. Unfortunately they ended their season with a loss in the quarterfinals of the State Tournament but the 2005 Bobcats hockey team really made their mark in South Windsor history.

# Wrestling

The 2004-2005 South Windsor High School Wrestling had another good season, finishing with a conference record of 1-5. Led by Captain Kyle McAlees and his fellow seniors Gabe Maldonado and Anthony Barco, the team had an unbelievable amount of camaraderie and were sad to see the season end. All-Conference selections Anthony Valles, Kyle McAlees, and Anthony Barco dominated their respective weight classes and all finished with 6-0 and 5-0 records. In addition, freshman Anthony Valles was the Class LL 103 lb. weight class state champion, the Connecticut State Open champion, and went on to become the New England 103 lb. weight class champion! Anthony finished up the season with an undefeated 40-0 record, the first in SWHS history. Hopefully the success led by Anthony will continue into the future.

# Indoor Track

The Girls and Boys Track teams continued to grow this year. The girls' team won their third consecutive CCC East championship, edging out Rockville in the CCC Championship meet. Seniors Kelly Shaw and Karla Schindler led the team to the victory as conference champions in the 55 meter hurdles and pole vault, respectively. The girls finished 6th overall in the State Class LL meet, and qualified for the State Open in seven events, the most in recent years. Karla Schindler emerged as Class LL State Champion in the Pole Vault. With only two returning members, the boys team showed improvement in qualifying for more events in the CCC Championship meet than the previous two years.

# Gymnastics

After a rough start to the 2005 Gymnastics season, with the threat of the team no longer existing, the Bobcats bounced back very quickly. Led by Coach Sue-Ellen Levine and captains Rene Blackburn and Jackie King, the team continued it's success this season that they have been building on for the past few years. Finishing with an overall record of 3 wins and 7 losses, and a CCC East record of 1 win and 5 losses, the Bobcats qualified yet lost in the Class M State Tournament qualifying meet. The team had two All-Conference selections in Toni Langevin and Lauren Przybylski who were chosen for their outstanding all around and vault exercises. The girls look forward to next season as they lose no seniors and hope to continue building their success.

## Girls and Boys Swimming

The 2005 South Windsor High School Girl's swim team consisted of only three senior girls: Emily Love, Heather Vendetta and Allie Hartnett. Each girl had very successful individual careers at South Windsor High. Heather only lost two races and four in her entire high school career. Allie made the State Tournament in her 5th diving meet, only 1 month after she dove for the first time. She placed 21st in Class L Trials, first female diver from SWHS to ever do so. Emily received All-Conference and All-State in Class L for the 100 yrd backstroke and 5th in the class in the 50 yrd freestyle. On the boys side, Greg Murtha qualified for the Class L State Meet, came in second in the 100 butterfly and won All-State honors. In addition, he swam the 50 freestyle and placed fourth, just shy of qualifying for All-State again. Even without a pool here at our school, all of these swimmers had successful careers and it would not have been possible without the hospitality of Bulkeley High School.

# JV and Freshmen Boys Basketball

The Freshmen team worked extremely hard to compete against some of the best freshmen teams in the state. The season record ended up being 4 wins and 15 losses. However, this group never made excuses and never gave up. Indeed, during the last game of the season they defeated a good Rockville team despite South Windsor being down 16 points by the begining of the fourth quarter. Congratulations for another team effort during this game which was capped by Adam Lattarulo's game winning 3 pointer at the buzzer! Coach Waters was very proud of how tough the J.V played despite the 4-15 record. The 2004-2005 J.V teams had a school history 6 freshmen on the roster. The young team had trouble facing the toughest schedule in school history. The highlight of the season was defeating rival Rockville at home. Coach Waters goals for next year are to have more wins than losses in the Conference and to get as many young players to Varsity as possible. Coach Waters states; "I had fun working with these kids, this goes to show you; winning is not every-thing."

Things I'll never forget- "I'm not your friend anymore", Our Blair-project, Burroughs, Spectrum, Regina Salvio, First period Chorus, extreme scrabble, Wendy's, color guard, Coldstone Creamery, and Period 4 Latin. Jozette Borrman

What can I say about High School? I suppose if you asked me, my initial response would be that I grew out of it years ago. However, that's not entirely true. Each year I became more and more detached, not purposely, but naturally, well maybe it was slightly on purpose...but I watched, I watched some of you grow, some stay the same, and others disappear. I'm not going to list my friends names or "memories I'll never forget" because I'm sure you'll be tired of reading lists soon enough, and I don't like to bore people. With my departure, I carry mostly old friends, some new friends, and Nick Newbury...most of you know his name...but I wont even begin to tell you all of the things you'll never

know about him. (I love you all) So, although I won't regard these years as the "best years of my life", I can say that they will be regarded as something. A twisted experience. Showing me every person I could be in four years; chewing me up and finally spitting me out as the person I am today, having been so-called "prepared for my future."

Sara Bouchard

Thanks to everyone who made these four years so memorable. Samantha: I won't forget how much we went through together-thank you. Kat: If we live to forty, I will see you in front of the bus. Em: we've been friends for how long? Our talks, road trips, dinners, coffees, poetry, and summers have been amazing. I look forward to our wedding. Jessica, my fiery red headed lover: mind waves, road rage, shopping trips-parking lots, Pink Wednesdays, Hooters, Starbucks, Victoria's Secret, Valentines Days-always together. Hawaii and Sam May will be amazing thanks to you. Here's to many more memories. I love you more than words can say. To my family-thanks for the support. Left to SWHS: JK (my private woman), PJ, Ang Nev, Alex (my Buddhist) and Ash and Heath (my chorus girls). I love you all unconditionally.

There are so many great memories I have from High School. Backpacking for five days, getting thrown out of a raft and kicking Brian in the FACE on the way out and putting Tyrone in the cage at Dearly's house. One of the best memories though would be just hanging out with Chris B and Dave on the bus rides home from school. "Keep on Rocking Dave". I would also like to thank all of my friends for making my time here so memorable: Tim B, Mike, Brian B, Brian H, M-H, Sorrow, Jerry, Eric, Ty, Juggles'06, Dave M'07, Chris B, Matt C, Phu, Laura W, Tom T, Brownie, Nicole B, Jess B, Meg W'06, Paul'08, Ashley M'07, Sorry if I missed anyone, it doesn't mean I wasn't thinking about you. I don't have much to say about this place and the last four years. There were lots of good times and lots of bad times. Mom and Dad, thank you for your support and advice. Without it, these past four years would have been much harder. My friends, we have had fun times from the bowling alley freshman year to snowboarding and late nights chillin with the fun guy and relish. Kris, we have been boys since the fifth grade, enough said. Jess, you are the one and only person that I can always count on and you've always been there for me. I could never thank you enough for what you have done for me. Enough with this place. ## Brian Burke

Some times thank you is the most important thing to say. Not clever, but true. So thanks to all those people who made my four years here... less difficult. I owe Thanks to Tom A., Tom B. (potato), Cougar, Diana R., Ashley B., Dan G., and Tom Z. the whole scout crew, my band Grimmir. And to everyone else who manages to slip through my brain Freeze. I love you kids too. Every one has made this little journey less painful. I will carry more than my gratitude with me after school ends, I will be gifted with the memories of all our stupid antics, with a potato to the nuts. A drastic need for a tissue, the struggle to continue my art work, my first love, joining the band, or driving for the first time every moment is painted on my soul. But everyone please remember my sense of humor. Too bad I went for the normal write up. Your loss.

*Clyburn, MC, Velcro, Rex*

It's important to me to list everyone that made a difference-but it's impossible to list all the people I want to, so just know that if there wasn't enough room, I truly love you all and I didn't forget you. #1 is Jesus Christ-I can't thank you enough. Jen-you've always been there for me, thanks; Keith and Andrew-thanks for being my dawgs; Brendan-you're the man, rock on; Chelsea-thanks for saying what I need to hear; Erin-you are the chair beneath my butt; Dan-our affair with the redhead in pigtails; Jeremy-fun times; Jackie-thanks for everything, I won't forget. ## Kelly Anne Coffey

*Keish-a, KC, Keliqua, "S"*

These last four years of my life have flown by so quickly; yet hold so many memories. I have always anticipated the day that I would graduate from SWHS, but now I wish that time stood still. I would never be where I am today, without the constant love, support, and guidance from two of the most important people in my life; my parents. Thank you Mom and Dad for encouraging me to be a better person. I love both of you very much. Thanks to all of my friends who have always stood by me. I'll never forget you. Festive nights with Jess, chillin with my girls, Homecoming '04, Prom '04, BK Lounge, "Are you ashan?", "Grimace", "MOM?", trips to the beach, and so many more. Senior year has been the greatest experience! I will always treasure the memories I had throughout the years, and look forward to the ones ahead...

Wait- I'm graduating high school? High school has gone by so fast, I can't believe it. Although everyday classes were a good time, I couldn't have done it without my friends. Poulin, Nick, Ceejay, Walker, Mike, Kurt and Kyle it's been a good time. Those summer nights cruising with the jetta- rest in pieces, buddy. Can't forget the girls! Teen, Whit, Suzie Smoothie, Kelly and Alexis I love you. Those nights at crystal lake I'm sure it was a good time. High school was a blast, and I wish the best of luck to all of you.

## Kevin Colla

A lot has changed over the last four years but not everything. I still ride with my good friends and that is what keeps me from going nuts. Everyone that I ride with thanks for the good times, we've had some killer sessions, crazy stuff has gone down. Who could have thought that at our age we would still be riding little kids bikes? Every one that I've played music with you guys rule too. I'd also like to say thank you to my family for supporting me in everything I do, and know it means a lot to me.

## Arthur Louis Colon

*Puertojew, Trey (only to the Grillos), and for a brief time Beautiful*

How did 18 years fly by like on big black out? It feels like yesterday I was learning to read and write, and that was two weeks ago! But on a serious note, there are way too many memories to remember. "Super Susan" and "Nick the...", better not finish that one. Good times with my academic accomplice Rebesco. How am I not writing this from prison is the real question. I made it through high school, so much for my kindergarten teacher that said I had ADD. I don't have any... did I mention my November 27th party? Some of us like to remember that night, some of us might want to forget, but the pool table says it all. I really have to thank my mom though because without her keeping me in line I don't know where I'd be.

## Nicole Corneau

*Mrs. Radcliffe, Nicki, Nicol-eye, Burnie*

Don't even joke about that! You ever feel like time stands still until suddenly you're a senior in high school about to graduate and move on to college? That's how I feel. Although now when I look back I see how many memories I've had with all my friends and family. Looking back to younger years I remember the "peace club" and the "pony processor". Then there were all of Kathy's parties, nine kids for someone, and our cloaks. To all my friends, you made prom '04 wonderful and color guard was amazing this year. I'm still in shock that I went to the Harry Potter premiere. I loved going to the Harry Potter films with everyone! Mention-

ing Dan Radcliffe in our conversations a few hundred times was brilliant.

## Dan Coulom *Turettz*

When I was in middle school I waited in anticipation for the high school years to come. Over the years I have learned a lot from school, from sports, and from my family and friends. Along the way there were lots of good times and a few bad ones too. But I always learned new things on my journey. My fondest memories will always be with my friends, especially those pick-up football games with Dewey and the rest of the gang. In the end, all that matters is the love of your family, the loyalty and respect of your friends and the part of yourself you leave behind. I hope I make the grade.

## Danielle Cowee *Co, Cowee*

How can I recall the endless memories and the best of friends that have come along the way in only 700 characters? Well, I'll start by saying thanks to all my friends because I cannot specifically thank you all. Thanks Beamer, Shinbone, Cho Cho, Dr. Bouch, Berger, Antosik, Les, Pescik, Matt, Jen G, Jen D, Prat, and Michelle for being such great friends. Prom, license, Halloween, JV softball captain for two winning years, Friendly's, buddy boxes, spirit, SATs, movies, Friday night pizza, work, washing cars, pasta parties, birthdays, French exchange students, and more. I also want to thank my parents, Megan, Becca, and Michael for the unending support. "Life is either a daring adventure or nothing." Good luck Class of 2005!

## Nick Cross

*Nick Boom Boom, Dude Friend of Guy*

Wow who would think the end is finally here. It flew by faster than I could have ever imagined. I've had some fun and crazy times: tailgating, Halloween, chillin with old friends, massive tournaments, hacky sacking, dying and seeing the white light, and more. I would like to thank my family for staying with me to the end. Best part of high school was time with friends. Joey Za Za "Clearview to Fairview" that was one crazy time. "Can I get change for 6 dollars?" "Wait the rope wasn't tied to the snowboard" - you're my best friend man. Danny T, what a fun time it's been, I'm going to mooch off you if you go pro. To the others, Jodice, Crazy Fingers, Parks- times were great. Hanging with the old PRS boys- Dewey, Schil, Pep, Scavone, and Adam, known you guys since kindergarten and it's been a blast. To everyone younger, Pease, Panora, Marrotto, and McConnell, hold down the fort while we're gone and enjoy life now, it goes by quick. So good bye everyone and I'll be looking forward to the good times that are up ahead.

## Steven Curtis *Curtis, Crunch Time*

The last four years could have never been possible without the help from all the guys. All the good times at Peps, Groths, Grillos and Deffleys. Great times with my best bud Jon, Walgreens is more than just a store. Great times at DMB, parties, New Years Eve, quarter finals in baseball, water balloons, tailgating, Backyard football, Disturbed concert, late night videogames, and beating Rockville in every sport. I want to thank my parents, my family, and my special girlfriend Nicole for supporting me. To the class of 2005, good luck in the future, you guys are all great! PRS for life. Peace out Sdub.

It's amazing how much can change in four years, and how fast it can go by. In these short and eventful years I made memories and friendships that have left lasting footprints on my heart. Dancin in the moonlight, endless adventures, secret operations, girl's nights, laughing till we hurt. Cami - you have been there in everything, and no distance can change that. Ike- no one can prove a thing. We could conquer the world. McKenzie- I wouldn't have made it without you. Kim, Mike, and Mark - you guys have kept me going, kept me smiling, kept me praying. To everyone in SHYG there now, or ever before you have all had a profound effect on my life, I will never forget you. You are living proof that God is good. Finally, mom and dad for always letting me know you love me, and Neal you're the best little brother.

In one hundred fifty words, how can you sum up four school years, eight semesters, seven hundred twenty four school days...but who's counting? It's been a long journey, but a fast one in retrospect. It wouldn't have been the same if it weren't for the great friends, and memories we made, and will keep making. Music Department trips to NY, invading Friendly's after concerts, and joking around during study hall (I think I have given up doing actual work during café study). If I tried putting everyone who I will miss being at SWHS with, I wouldn't be able to fit anything else, but know that I would love to see you all after we

graduate, and don't ever be afraid to find me. You'll always be in my heart.

## Paul Macchi

Nothing in life will compare to the things that I have been doing here at SWHS. Freshman year in English class with Tess was always great. Sophomore year pulling my pants up as high as they can go and walking around the room was a blast. Junior year with Thomp's and laughing with Frankie, Jamie, Kelly is something I would never change. Now senior year tailgating before every football game and dressing like a freak to show off my school spirit. Going to the Hockey games and yelling for number three was hilarious. Nothing beats Casey and I driving over an hour just to see the field hockey game. This year I have met so many new people that I never took the time to talk to like SHANNON, Samantha, Jay, Michelle, Joan, Kirsten, Mo; don't forget the people I have been friends with all four years like Jana, Jozette, Lauren, Steve, Casey. I will never forget you guys. I hope when I see you next I will be 100 lbs lighter. Thanks to my family for helping me through this all, it really means a lot!

## Donna Marchessault

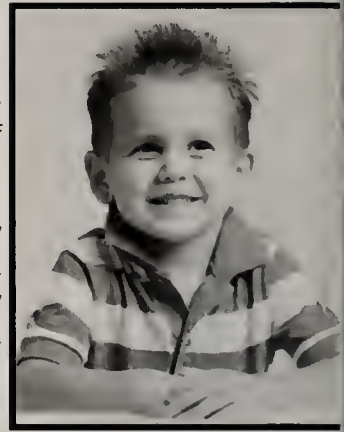

Four years. Four long years, and it's finally over. No more insane teachers or younger classmen to haunt our every waking hour. It is all over and done with. Though I have to admit, I am going to miss the good times. Working with the techies for all of the shows and building all of those sets... and to all my 'fellow' cellos, I will miss the times we shared... sob sob. But really, as much as I complained about how much I hated everything about the school, I am going to miss all the friends I made here. And how the hell you guys put up with all my crazy antics I will never know, but thanks.

Writing this makes me feel... very cliché. Thanks to my friends, family, teachers, custodians, my plants and animal friends, staff, the GSA and Human Relations, my enemies, taxpayers, hardships, mistakes, music, fun times, and bad times. I would have gone insane if I didn't have them. I also need to thank myself a wee bit for surviving this high school education. I'm glad that I was able to make it out alive, or at least in four years. There was a time when that didn't seem entirely possible. I've realized that most of the stuff I've learned over the past four years is almost entirely worthless in the long run compared to what I've learned from myself. I just may miss this. I'll keep in touch.

## Emily Rosenberger

*Em, Emmy, Eminator, Ghandi, Mom*

In some instances four years was way too long, in others it wasn't long enough. So many amazing memories: the first party at jeeb's and the second and the third, the multiple rock concerts, driving adventures (darn sense of direction), enough boys to kill us (strangely most of them named Matt) and so many more moments I can't begin to remember. My best friends Alysha, Jackie, Sara, Melissa and Heather. So many games of rummy, of movies, of laughing hysterically at absolutely nothing funny, cop detainments at 3 am, Ms. Mom, poetry and so much love. Matt, Meggie, Laura, Sonia, Jes, Cowinator, Jessica and everyone else, I'll miss you a lot (well at least a little). Thanks for everything.

There are many fond memories of years here at South Windsor High School. Each year seemed to get harder, but I didn't let that slow me down. I gave high school my best shot and I hit close to the bulls eye. I have countless memories of my years in orchestra, it has always been the class of choice for me. The music created a release and a plan on sticking with the therapy. Thank you so much to my orchestra teacher, you have truly made an impact in my life. Memories of prom swim in my mind along with the memories of just simple days in study hall. I want to thank my Mom and Dad for helping me get through these challenging years. Thank you to my sister Annabelle and my brother Joe for keeping me on my toes. I'm on my way to a bright future.

Missy, Jaymee, and whoever I forgot, thanks for making the past four years bearable. And thanks South Windsor High School for reaffirming my belief that if my class is any indication of the wave of America's future, I need to apply for dual citizenship in Canada. For the past four years I haven't learned a thing that I can recall, except if you care you're probably trying too hard. I won't miss the drama, lack of curriculum and the nonsense that made up the school and its students. The pledge doesn't make us patriotic, Mr. Novick was right, go Rockville, I'd say more, but I want you to buy my book A Big Book of Nothing!

The past four years have seemed difficult, but now that I am a senior I would gladly do it over again. There is no way I could have gotten through it without my mother, having her at the school with me gave me the extra support I needed to succeed. I will miss not having her in the same building as me day after day. My brother Justin was also a big inspiration for me, I got the chance to learn from his mistakes, before I could make my own. Also I am very grateful to my friends, Gina, Jacquie, Tovah, Alex, and family, Stan Cubby and Mary, for being there for me when I needed them most, and everyone else I love.

**Heather Stacy Sloate**

What can I say the last four years have flown by especially the past couple of months. The things I've learned but nothing will compare to the friends that I have made along the way who have really shaped me. All of the memories I now have, I will cherish for ever between the Back House and Natalie's house I don't think I could have dreamed of better times. Kevin K. what can I say, we have been friends since the beginning of kindergarten through thick and thin so many memories and so many more to come. Street sings with Natalie and Kelsy, random sledding. Mom and Dad you have always been there for me no matter how crazy my ideas were. Brian what can I say, I couldn't ask for a cooler brother, and Amanda I can always count on you being there for me. Oh yea used 150 words exactly!

I'm just glad that I made so many friends, you all know who you are. My drama and chorus geeks, I've had so much fun with you guys. And my marching band buds, you all know that we're the coolest kids in school. I'd also like to thank my family for always being so supportive for me. Babe, you're last but not least. You have always been there for me and the boofallo thanks you for everything. I love you so much babe. So my final words are, "Toodle-loo, go with God, and don't take any wooden nickels."

Jay, you are the chief, Krispy Kreme and Kart Track and frisbee and the back house. All you guys that were there to celebrate the awesome times, Tatelman, Josh, Timmay, Min, Dave, Smith, Valjean, Tom and Rizzo, we still have more ahead of us. The past four years have come and gone in the blink of an eye and yet I have enough memories to last me a lifetime. Thanks to all my friends who have made high school so great. There's too many good times to recall- snowboarding, poker, fishing, frisbee, Seinfeld nights, Family Guy marathons, going to the beach- all unforgettable. To everybody that I've known throughout high school, it wouldn't have been the same without every one of you. Rachel, words can't describe how much I love you. The rest of my life is going to be incredible with you by my side. Mom, Dad and Jenny- you have been there for me every day of my life and helped me through so much, I can't even begin to thank you. Good luck to everyone and thank you all; I'll never forget the times we've shared.

## Daniel Younessi

*Zhubin, Livestock, Gustav Rankford*

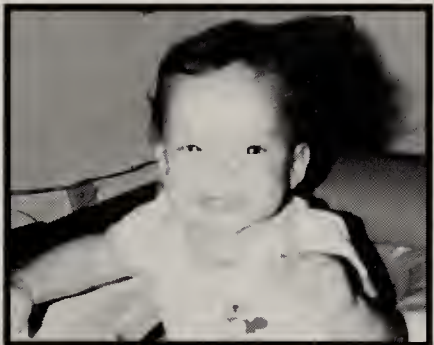

South Windsor has marked yet another move, yet another displacement for me. After studying at so many schools in so many countries, I no longer found it necessary to feel deeply connected to anyone- I knew that within a few months or years they'd be only memories. I'll be candid here- I've disliked living in this town (far from the bright lights of the cities in which I was raised,) but my three year tenure here has fashioned some of the best personal relationships I've ever felt in my entire life. I cannot see a future without my English friends (yes BJ, even you), all my Latin buddies (Gustav Rankford!) and so many other of my dear friends, Ami, Priya, Shamma, Janaki, Deb, Kevin, and of course all the friends from past years who place such an impact on me. My future, be it in Boston, New York, or wherever, will be brighter because of you.

## Julia Young

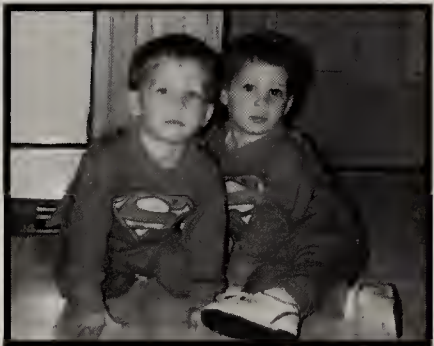

*Julz, Julia Gulia, Jooglypuff, Dimples*

Wow guys we're finally out. Thanks to all my teachers I've ever had. You helped me grow. Next, I thank my Mom, Dad, and Linda. Thanks for supporting me with whatever I believed in. Tisha you will never know how much you've taught me. My girls, my guys. Thanks for the best summer ever. I will never forget all those great times, (Kellz, 2in, Kara, Kelle, Emila and Steph) you guys don't know how much you mean to me. Now two guys who mean a lot to me and Moo and Juanny, you guys are so incredibly awesome. Thanks for listening to me with guy advice ha-ha. Baby these last 3 months have been amazing I love you so much. Next my cousin Joey, R.I.P I miss you so much. Thanks for being there whenever I needed you. Leaving this school to my lil sisters, Erica, Amanda, and Alicia also all my other girls who know I love them. Im out. Peace.

## Mike Yudowitch

As I look back at these four years I spent at South Windsor High School, it reminds me of all the great people I have encountered. I also will look upon all the memorable moments that I most definitely will never forget. Bobcat football will always be a big part of memories of SWHS; four years boys keep it rolling. As a football team we've gone through so much together that I will never forget, because it was the best time of my life. (#77) To all my friends it has been a great four years and I have you to thank. To my brother and my family thanks for being there, and always pushing me. To my fellow seniors, it has been an adventure, but now we got our future to plan for.

## Tom Zagorski

*Ziggo, Ziggy*

These past four years have gone by fast. It's just like yesterday we were Freshman roaming these halls. From crazy times in English to the boring classes of history, these years have been an adventure. The many hilarious events in Rhode Island and the almost hit and run. From terrible player to spontaneous in football with one catch and still being the worst basketball player. From going all in then taking the pot and running. The craziness of Halo 2 and the almost perfect game of backyard baseball. These have been crazy times the past four years. And don't forget those political shenanigans.

## Katherine Anne Zielinski

*Kaytee Z*

\*To Susan Selin Kristina Karlie you ladies are the best. I will never forget the memories we have made over the years. You ladies are the truest friends I will ever have and no one could ever take your places. \* To Marc my first love what else can I say but I love you. \* To my Mom and Dad, I love you with all my heart I don't know where I would be if it wasn't for you always being there for me. \* To my brother, Stephen (class of 99') You are the best brother in the world. \* To my soccer ladies we are the best. CCC East Champs '01-'04. There are two words to describe those four seasons crazy and fun. Turn your heart light on! To Coach Mel you are the best coach anyone could ask for. \* To those left at SW~ Anna, Sue L., Mickey, Britt, and all the soccer and bball ladies~ Good Luck! \* And Thank you to all teachers who have helped me on the way.\*

When I look at my four years here at SWHS, I see so many memories...soccer, b-ball, and volleyball. Nights at Grillos, breakfast at ten o'clock, hanging out with everyone, we had a great run. Min, it began seventh grade, look where we are now, high school wouldn't be the same man. Buttermore, Shrek in Spanish, knowing every word; playing V-ball with you and Min on the first team in SWHS history. Junior prom with Stacey, I had a great time. Pep, Pecka, Schil, we had some great nights, Robin Williams anyone? Erica, I got confidence finally, thanks. Kathy, ghetto talks online, and feeding me. Laura, who would have ever thought going through a corn maze would be fun.. Congratulations to all my classmates and good luck in the future. One more thing, mom and dad, we've been through a lot, thanks for everything.

## Sam Brown

The four years of high school are over, and so many memories have happened but will not forget, from creating havoc around town to chilling. My friends that have given these memories that will not be lost. Chilling with the boys Riz, Billy, Moyer, Demos, Spad, Gerber, the years couldn't have been better. Soccer 1-4, Hockey 2-4 Capt. 4. We had the ups and downs over the years. But I wouldn't change one thing. Practices at four in the morning, but for the senior year it paid off. Riz, we've been friends for a long time, and it's been great. You're the greatest friend a guy could have. To everyone who has helped me in the last four years, thanks. To my mom and dad, who have shaped me into the adult I have become, thank you for encouraging me in everything I did. I love you guys! SWHS is losing the greatest Senior class EVER!

"Your families are extremely proud of you. You can't imagine the sense of relief they are experiencing. This would be a most opportune time to ask for money." And more importantly, "If at first you don't succeed, listen to what your mother told you." I wish you all a bright future. ### Rachel McLean

To Bear,

My favorite poem for my favorite daughter:  
All that is gold does not glitter, not all those who wander  
are lost; the old that is strong does not wither, deep roots  
are not reached by the frost.

From the ashes a fire shall be woken, a light from the  
shadows shall spring; renewed shall be the blade that was  
broken. The crownless again shall be king.

Love You, Mom and Lucas
